

GRABO MOD-FLEX HEAVY

Technical datasheet

Technical parameter	Standard	Unit	Result
DESCRIPTION			
Size of tile	EN ISO 24342	mm	1000 x 1000 ± 20
Total thickness	EN ISO 24346	mm	30 ± 1
Guarantee	-	years	2
Material	Recycled SBR rubber granulate with PU binder		
Feature	Slippage resistant, water resistant, rot proof, frost proof		
Installation	Upon indoor smooth floor without or with adhesive		
Available colours	SBR black, EPDM blue, yellow		
PHYSICAL AND MECHANICAL CHARACTERISTICS			
Module weight	EN ISO 23997	kg/pcs	27 ± 0,5
Total weight	EN ISO 23997	kg/m ²	27 ± 0,5
Tensile strenght	EN ISO 37	N/mm ²	46 ± 4
Hardness Shore A (Sh°)	EN ISO 48-4	-	53
Compressibility		N/mm ²	0,27 ± 0,02
Flame resistance		-	increased flame spread
Friction/slippage resistance		-	excellent
Fire resistance	EN 13501-1	class	Efl-s1
Environmental resistance:		-	rot-proof and water-resistant
